Principal’s Report
On Monday night the P&C were able to see a result for all the hard work that they have put into fundraising over the past year. They decided to contribute $32000 to the school to pay for the new Outdoor Learning Area, recovering the cricket pitch, new headset microphones for the hall, new soccer nets and a second mural to be painted on the end of the Kindergarten building. All of these will be wonderful additions to our school, and will directly benefit our students. I would like to thank everyone who has contributed to this outstanding effort.

Tomorrow students are invited to wear their favourite sporting clothes to school and support our boys’ softball team as they prepare for the State finals in Sydney. A gold coin donation will go towards the cost of the trip. On Monday a note will come home with details of a sausage sizzle the boys will be running on Tuesday 25th.

I am impressed with the overwhelming support for our school uniform policy. Almost every student consistently wears the correct shirts and shorts/skorts. We are probably not quite achieving as highly with school hats, and some students are wearing colourful joggers on non-sport days – sturdy black shoes only please.

On a related subject, we have been approached by Harlequin School Bags, who can provide bags in Narranga colours with the school crest printed on them. They are ergonomically designed and come with a 15 year warranty. Go to [www.schoolbags.com.au/kids-bags/school-bags.html](http://www.schoolbags.com.au/kids-bags/school-bags.html) and check out the Mighty Tuffpack ($35) and Genius Tuffpack ($45) - we also have samples for you to inspect at the school office. I will include an expression of interest next week to see if we will make a school order.
