Principal’s Report
It was just as well all the kids (and quite a few adults) were keen to get wet on Friday night at the P&C’s Big Banana waterslide night. The old style North Coast afternoon storm didn’t dampen enthusiasm for a great night on the slides, and probably increased demand for the BBQ. This Friday night’s encore session looks like being a different story, as temperatures of 42C are forecast! There are still a few tickets left for any families who are looking for a good way to cool off.

A group of 12 Year 6 students visited the Bunker Cartoon Gallery yesterday to view some of the great artworks produced by senior students from Orara High. While they were there they were assisted by local artist John Thiering to produce some works of their own – another great enrichment opportunity for Narranga students.

Student report writing is well underway. They will come home with students on December 9.

Parents of Year 6 students – we need you for our Big Bike Ride. If you can spare the day, we’re always after volunteers to accompany us on the ride. Also, time is running out for your child to take their bike to one of the local bike shops for a free safety check.
