Principal’s Report
The busy run in to the end of year is well and truly upon us. Report writing is almost complete, Year 6 are off to High School orientation next Thursday, Presentation Day is on Monday Dec 7, the Year 6 Farewell is Monday Dec 14, Picnic Day and final P&C meeting are on Tuesday Dec 15 – amongst others. In between all of this, teachers are still teaching and students are still learning.

As we reach the end of Sustainability Month Narranga classes have planted a range of native shrubs and trees around the playground to beautify the school and make it more attractive to birds and animals. In addition, Mr Nulty's Living Classroom group have been harvesting in the vege patch. I sampled some top notch snow peas yesterday, and the canteen has been supplied with a range of lovely salad veges.

Waterslide night was terrific fun once again last Friday. With the weather definitely more in line with getting wet there were plenty of takers for the opportunity to enjoy the water slides and water park. Thanks again to the P&C for organising another excellent social activity for the school community.

The variable weather is impacting upon a few school activities. Today’s Big Bike Ride for Year 6 had to be postponed due to the heat and will now be held next Wednesday – I’m predicting rain, hail and sleet. Tomorrow it will be very hot – have a chat to your children about how to keep cool.
